

SELECTION CONVERTIBLES

“Lipper Fund Awards 2016” (France)

We are pleased to announce you that « **SELECTION CONVERTIBLES** » fund, managed by DYNASTY AM, received two **Lipper Fund Awards France 2016** for its risk adjusted returns over 3 years (+7.1% yearly) - Category Convertibles Europe.

DYNASTY AM is an independent asset manager specialized in convertible bond management.

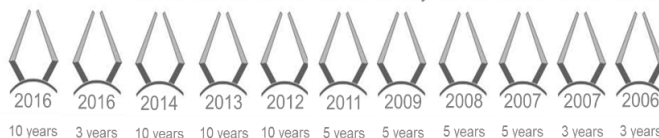

SELECTION CONVERTIBLES, is a pure convertible bond fund managed through an active investment approach (CB Picking). The fund gives access to the European convertible bond market with a limited number of positions (ca. 50), a reduced average delta (max. 50%) and a flexible management of the cash bucket (up to 30%) to adapt to market environment.

These awards recognize our expertise in convertible bonds and highlight the fund’s excellent performances with **11 Lipper Fund Awards received over the last 11 years**. Launched in April 2001, assets under management of the fund now exceed 150 million euros thanks to the good performance and fund’s inflows in 2015. The fund is rated 4 stars by Morningstar.

Fund’s good performance and significant inflows open new roads and offer visibility to a larger number of European investors. Two share classes are available: A Class (FR0007057641) denominated in Euro and CHF Class (FR0011158898) denominated in Swiss Franc, with a currency hedge.
