

# COVID-19 - DYNASTY AM S.A action plan

Luxembourg, 16th March 2020

## COVID-19 (Coronavirus) BCP - communication from DYNASTY AM

We would like to inform our clients and suppliers about the current measures that Dynasty AM S.A is taking in light of the COVID-19 pandemic. Our Company takes the evolution of the COVID-19 very seriously and **triggered internal BCP systems**.

We **have put measures in place** for us to be able to continue to support our service to clients under a range of adverse conditions and in order to safeguard the health and safety of our employees :

1. All personnel are able to work remotely.
2. Face-to-face business meetings, business travel, as well as business conferences or events with an increased risk of contraction during that period have been reduced to an absolute minimum.
3. Members of the team who develop symptoms are required to self-isolate. We do not currently have any staff who are sick.

**We will meet on a daily basis to review its action plan.**  
**DYNASTY AM S.A makes sure that we do currently not see any material impact on our business activities.**

Should this situation change, we will get in touch with you with further communication.
