DYNASTY AM PURSUES ITS EXPANSION BY JOINING IRIS FINANCE INTERNATIONAL GROUP

Dynasty AM is pleased to announce that the asset management company will join the Iris Finance International group by leveraging its expertise in bond fund management, the latter is known for its recognized equity management (Chahine Capital) and its private wealth management. The assets under management of the group will then reach 2.8 billion €.

This partnership has neither impact on the management of our funds nor on our sales approach. DYNASTY AM remains a separate entity. The primary focus of the group is to establish synergies on support functions and to share good practices of its affiliates.

About DYNASTY AM

Dynasty AM is a Luxembourg asset management firm possessing UCITS, AIFM and wealth management licences and specialising in bond fund management, managing convertible, investment grade as well as high-yield and subordinated bonds. Dynasty AM was created in January 2014 by bond specialists from major investment banks. It manages almost 1 billion euros via its funds. Its clients are mainly private banks, wealth managers, family offices and institutionals based in France, Switzerland and the Benelux.
