# ESG POLICY

Dynasty AM S.A.'s **ESG (Environment, Social and Governance)** philosophy is based on the principle that there is a positive correlation between taking into account extra-financial criteria and generation of added value. We therefore aim to obtain the best long-term risk- return ratio for our clients, **by incorporating ESG criteria into our financial analysis.**

Objectives established by the working group were determined using the PRI Principles:

We associated each **principle** to a specific **analysis' criteria**:

- Principle 1 and 2: Human Rights → Fundamental Human Rights
- Principle 3: Human Resources → Social Dialogue
- Principle 4 and 5: Human Rights → Child and Forced Labour
- Principle 6: Human Rights → Non-Discrimination
- Principle 7 and 8: Environment → Environmental Strategy

If this engagement does not lead to the desired change in a period of **2 years** from the **start** of this engagement, the company will join our **Global Compact Exclusion List**.
